ADAM-6510
ADAM-6520

4-port Industrial 10 Mbps Ethernet Hub

5-port Industrial 10/100 Mbps Ethernet Switch

C€ FCC

C€ FCC

ADAM-6510

Specifications

- **Interface**   10Base-T standard network
- **Port**   4 x 10 Mbps, 1 x 10 Mbps uplink
- **Connector**   RJ-45
- **Compatibility**   IEEE 802.3, IEEE 802.3u
- **Surge Protection**   3000 V_{DC}
  (Power)
- **LED**   Power, 10 Mbps
- **Power Requirements** Unregulated 10~ 30 V_{DC}
- **Power Consumption** 2 W (typical)
- **Case**   ABS with captive mounting hardware
- **Mounting**   DIN-rail, panel mounting, piggyback stack
- **Operating Temperature** -10~ 70° C
- **Storage Temperature**   -20~ 80° C
- **Operating Humidity**   20~ 95% (non-condensing)
- **Storage Humidity**   0 ~ 95% (non-condensing)

Ordering Information

- **ADAM-6510**   4-port Industrial 10 Mbps Ethernet Hub

ADAM-6520

Specifications

- **Interface**   10/100Base-T standard network
- **Port**   5 x 10/100 Mbps (ADAM-6520)
- **Connector**   RJ-45
- **Compatibility**   IEEE 802.3, IEEE 802.3u
- **Surge Protection**   3000 V_{DC}
  (power)
- **LED**   Power, 10/100 Mbps
- **Power Requirements** Unregulated 10 ~ 30 V_{DC}
- **Power Consumption** 2.4 W (typical)
- **Case**   ABS with captive mounting hardware
- **Mounting**   DIN-rail, panel mounting, piggyback stack
- **Operating Temperature** -10 ~ 70° C
- **Storage Temperature**   -20 ~ 80° C
- **Operating Humidity**   20 ~ 95% (non-condensing)
- **Storage Humidity**   0 ~ 95% (non-condensing)

Ordering Information

- **ADAM-6520**   5-port Industrial 10/100 Mbps Ethernet Switch
