CERTIFICATE OF ACCURACY

We, the manufacturer of Aranet:

SAF Tehnika AS
24a Ganibu dambis
Riga, LV-1005, Latvia

Declare that the following product:

Aranet Temperature/Humidity
Sensor

Is in conformance to the published accuracy specifications, namely:

-10°C to 60°C (14°F to 140°F)	±0.4°C (±0.72°F)
-20°C to -10°C (-4°F to 14°F)	±0.6°C (±1.08°F)
-40°C to -20°C (-40°F to 14°F)	±0.9°C (±1.62°F)
0 to 80% @ 30°C (86°F)	±4% RH
80% to 95% @ 30°C (86°F)	±6% RH

Every Aranet sensor manufactured is rated to this specification using the following method:

The temperature sensor employed in the Aranet T/RH, Temperature/Humidity sensor is rated by the supplier and manufacturer to be interchangeable with accuracy not exceeding the above stated accuracy. Sensor accuracy is measured and rated by the sensor manufacturer in accordance to ITS-90. Manufacturer's report is available on request.

This certificate is issued by: SAF Tehnika AS, manufacturer of Aranet

Date: 2018-10-10
